FOURTH SUPERVISORIAL DISTRICT PARATRANSIT PROGRAM FUNDING FOR FISCAL YEAR 2012-13 (SUPERVISORIAL DISTRICT 4) (3 VOTES)

SUBJECT

This action is to approve funding for the Paratransit Program for Fiscal Year 2012-13 in the Fourth Supervisorial District and to authorize the Director of Public Works or her designee to negotiate and execute an agreement to provide paratransit services.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed Paratransit Program is statutorily exempt from the provisions of the California Environmental Quality Act.
2. Approve the continuation of paratransit services for eligible patrons in the County of Los Angeles unincorporated areas of the Fourth Supervisorial District for Fiscal Year 2012-13 at an estimated cost of \$823,000. The Fourth Supervisorial District's Paratransit Program includes the following service areas: Marina del Rey; Rancho Los Amigos; and Whittier, et al.
3. Authorize the Director of Public Works or her designee to negotiate and execute the agreement for paratransit services in the Fourth Supervisorial District with the cost and term as indicated: Rancho Los Amigos Paratransit Service provided by the Los Amigos Research and Education Institute, Inc., at a cost to the Fourth Supervisorial District of \$211,000 for Fiscal Year 2012-13 (County of Los Angeles total cost for paratransit services in Supervisorial Districts 1, 2, 3, 4, and 5 under this proposed 1-year agreement is \$310,000).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to approve continuation of paratransit services for eligible patrons of the County of Los Angeles (County) unincorporated areas of the Fourth Supervisorial District and to authorize the Director of Public Works or her designee to negotiate and enter into a new paratransit agreement with the Los Amigos Research and Education Institute, Inc., for the provision of service.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3) by providing services to the public in a responsive manner. These services improve the mobility of transit-dependent patrons.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

This action authorizes the disbursement of \$823,000 for continuation of paratransit services for eligible patrons in the County unincorporated areas of the Fourth Supervisorial District for Fiscal Year 2012-13. This Paratransit Program contains agreements with multiple-year terms. This action only authorizes the Fiscal Year 2012-13 program costs incurred under these agreements. The future costs under these agreements will be submitted for your approval as part of future paratransit programs. Each agreement includes a 30-day, no-fault clause for termination.

The agreement with the Los Amigos Research and Education Institute, Inc., for the Rancho Los Amigos Paratransit Service will expire on June 30, 2012. This action authorizes the Director of Public Works or her designee to negotiate and enter into an agreement to continue this service provided by the Los Amigos Research and Education Institute, Inc., at a cost to the Fourth Supervisorial District of \$211,000.

Two paratransit services will operate under current, previously executed agreements: Marina del Rey Paratransit Service and Whittier, et al., Paratransit Service for a combined Fourth Supervisorial District Fiscal Year 2012-13 disbursement of \$612,000.

The Recommended Fiscal Year 2012-13 Paratransit Program Budget for the Fourth Supervisorial District totals \$823,000, which includes a new service agreement authorized by this Board action for \$211,000 and the previously executed service agreements for \$612,000. The enclosure lists these services with providers, terms, and the Fourth Supervisorial District's Fiscal Year 2012-13 budget amounts.

The necessary funds are available in the Fourth Supervisorial District's Proposition A Local Return Transit Program included in the Recommended Fiscal Year 2012-13 Transit Enterprise Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On January 4, 1983, your Board directed that funds for paratransit services should be provided from each supervisorial district's allocation of the County's Proposition A Local Return Transit Program at the discretion of each supervisor. In Fiscal Year 1983-84 and in subsequent fiscal years, your Board

approved paratransit services providing transportation opportunities for eligible patrons of the County unincorporated areas. Paratransit, also known as dial-a-ride, generally refers to curb-to-curb, demand response transit services in which the patron calls to reserve a ride. This type of service is typically available to elderly and disabled persons. In some areas, it is also available to the general public.

The agreements for the paratransit services are in compliance with the mandatory jury service requirements as set forth in the Los Angeles County Code, Chapters 2.203.010 through 2.203.090, Jury Service Program. The agreements are approved as to form by County Counsel prior to execution.

ENVIRONMENTAL DOCUMENTATION

The proposed activity is statutorily exempt from the provisions of the California Environmental Quality Act pursuant to Section 21080(b)(10) of the Public Resources Code. This exemption provides for the implementation of passenger or commuter transit services.

CONTRACTING PROCESS

The paratransit services for eligible patrons of the County unincorporated areas are provided primarily through participation in joint paratransit services with cities and other governmental agencies adjacent to the County unincorporated areas and less frequently through contracts the County enters into with private (for-profit or nonprofit) transportation service providers.

Through participation in joint paratransit services, the County benefits by a lower service cost due to economies of scale, better service to residents because of service coordination, and subsidies provided through grants, when available, from the Los Angeles County Metropolitan Transportation Authority Proposition A Discretionary Incentive Grant Program (Incentive Grant Program). The Incentive Grant Program provides financial assistance to agencies that coordinate paratransit services across jurisdictional boundaries.

Most of the cities and other governmental agencies that allow the County to partner with them contract with private transportation service providers through a competitive selection and procurement process. The County's share of the cost of the service is proportionately based on the number of County unincorporated residents who use the service. When the County contracts directly with a transportation service provider, a competitive procurement process is used.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action provides for continuation of the current services. The approval of this action will not result in the displacement of any County employees.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Programs Development Division.

Respectfully submitted,
